## RACE MEETING ON MADISON AND BAUERSOCK A BUSINESS BASIS MEET IN RING TONIGHT

J. Walter Doyle Appointed to  
Corral the Dollars at the New  
Year's Events at Kapiolani  
Park—Committee Busy

With a tentative program made up of nine good races, the committee which is engineering the New Year's race meet at Kapiolani Park, is getting every encouragement from horse men and sport lovers in general. The meeting seems to be assured of success, and those in Honolulu who love to see thoroughbreds in action, are looking forward to some classy performances.

There is one stumbling block which must be overcome, and that is the question of finances. To attract first class entries, generous purses must be offered, and this runs the expense bill up very fast. The committee in charge of the meeting, is practically the same one that handled the Labor Day affair, being composed of R. W. Shingle, chairman; Walter Dillingham, Frank Halstead, Albert Horner, Arthur Rice, A. A. Wilder and W. H. C. Campbell. The last two named did not serve on the original committee, but have been added on account of their well known ability for boosting and knowledge of the game. These gentlemen have no financial interest in the meeting, and would not get a cent of the profits, should the balance be on the right side of the ledger. They are merely doing the work and giving the guarantee of their names that the races will be run as they should be. This being the case they certainly can not be expected to personally guarantee the purses, so the horsemen are taking a sporting chance, although there is every reason to believe that enough money will be taken in to cover all advertised prizes and expenses.

It is with this idea of getting every quarter and half that is legitimately coming to the association that J. Walter Doyle has been named business manager of the meeting. He has nothing to do with the race management, but is in charge of the business end, and from the way he has started on the job, it will have to be a wise piece of money that can keep long in hiding.

At a meeting of the general committee held yesterday, Albert Horner and W. H. C. Campbell were named a special committee on race events and handicaps. Gus Schaefer, president of the Automobile Club of Hawaii, and George C. Beckley will look out for the auto end of the affair, and Arthur Jones will attend to arrangements for the rough riding and bronco busting features.

There is talk of a gentlemen's riding race, and if enough entries can be secured this will be one of the special features of the program.

### FINAL GAME OF PENNANT TO BE PLAYED SUNDAY

Weather permitting, the P. A. C. and the J. A. C. will meet tomorrow at Athletic Park, in the fifth and final game of the pennant series. The Portuguese won the first and third contests, while the Japanese annexed the second and fourth, the last game, played Sunday last, being one of the most exciting ever seen on a local diamond.

Athletic Park has had a pretty heavy soaking, but if no more rain falls the diamond will be fit for play.

A record crowd is expected to be on hand for the winner of today's game will take the championship of the Senior League for 1912.

EDDIE MADISON.  
Madison took to the gentle art of golf as part of his training for tonight's fight with the husky soldier. In training close to the Moanua course, Eddie had plenty of opportunities to improve his skill on the links, and he is delighted with results, claiming that the game is a great swifter for eye and hand. The question is, "Will he line out a good one tonight, or will he fizzle?"

FIGURES FOR FANS.  
Time—8 p. m.  
Place—Bijou Theatre.  
Main event—Eddie Madison, of San Francisco vs. Sergeant C. Bauersock, of Schofield Barracks. 15 rounds, 150 pounds ringside.

First preliminary—Corporal Kibbey, Fifth Cavalry vs. Private Donovan, Second Infantry. 4 rounds, 135 pounds ringside.

Second preliminary—Blondy Ross, the Herbie backman, vs. Young Jack Johnson, the Terrible Tar. 4 rounds, 154 pounds ringside.

Third preliminary—Private Allen, First Field Artillery, vs. Private Willis, Fifth Cavalry. 6 rounds, 153 pounds ringside.

Promoter—Dick Sullivan.  
Referee of main event—Billy Heilbron.  
Referees of preliminaries—Dr. Birch and Tex Selman.  
Announcer—R. W. Warham.  
Timekeeper—Bert Bower.

For the third time Eddie Madison and Sergeant Bauersock will come together inside the squared circle, and tonight's fight is creating more general interest and speculation than any previous ring engagement of the year. Bauersock has won once on a foul and has gone, the full 15 rounds to a draw on another occasion, and in the

coming mill the dopesters look for definite result. It is not an even bet that there will be a knock out, for Madison is a shifty boxer, and likely to keep out of the way of Bauersock's bombardment as much as possible, while the soldier has received some pretty stiff ones from Eddie on former occasions without going down. It is more likely that the mill will be won on points, with one man more or less battered, and unable to do his best work on that account.

Both men are in fine shape, and have come down to the weight without any trouble at all. They can go into the ring at full strength and still get on the scales without tipping the beam. Madison finished his work for the fight out at Fort Shafter yesterday, and is taking it easy today. Bauersock also rounded off with light stunts, and will come into town by motor car this afternoon.

There has been a record sale of seats for the fight, and it would be a good plan for all ticket holders to be in their seats early tonight to avoid confusion. The seating arrangements on the stage are better than before, the ring-side seats having been elevated, so that all can have an unobstructed view of the squared circle.

The preliminary card is a good one, the boys who will perform having worked hard and faithfully to make the best showing they have in them.

## BOWLING FIGURES ARE NOW AT HAND

Averages for the bowling series of the "Y" League, which competed in schedule last night, have just been figured out.

A. T. Wisdom, Expanders, has the best average, 169, and he rolled to every game of the series, at that. Last night's showing pulled his average down a couple of points, but he manages to skin through with a margin of two points over C. A. White, of the Breakers. Wisdom also takes the prize for high individual score in a league game, 224.

To C. A. White belongs the honor of having rolled the most double centuries, and for this he will receive a special prize.

The Cherries receive individual prizes as champions, but it will be noted that no member of that team is within the first five for high average. Rasmussen, however, is second in the high score column, only four pins below Wisdom.

The final averages:

## POLO PONIES ARE IN SPLENDID SHAPE

According to mail reports the polo ponies of the polo team that will try for the Coast championship next March, were shipped from here November 26, arrived in San Francisco in first class condition, which is a great relief to the local players.

Commenting on the string, the San Francisco Post of December 4 says:

"Twenty-four polo ponies in charge of Peter Hannon arrived here from Honolulu this morning on the Matson liner Lurline. They are the pick of the stock in the Hawaiian Islands, and before they return to their native land they will have been through a strenuous campaign. They will be used in a series of games to be played all along the coast in which the All-Hawaiian team will compete. The five millionaires who will make up the team, Walter F. Dillingham, F. F. Baldwin, Arthur Rice, Harold Castle and Sam Baldwin, will not arrive here until about the first of February.

The ponies, which were all bred in the islands, were sent up in advance to be put in shape for the games and to become acclimated. They will be taken down to Sam Mateo and cared for at the stables of Charles W. Clark until it is time to ship them south for the tournament at Los Angeles, Riverside, Pasadena and Santa Barbara. Then they will return here for the championship games on the San Mateo fields.

Ponies in Good Shape.—All of the ponies shipped in good shape and appeared to be sturdy stock, but there is some doubt among local poloists as to whether they will stand up as well under the hard strain or several matches as will the local ponies. Two months is considered time too long for them to be so thoroughly acclimated.

It was necessary to "line" the ponies from the deck of the Lurline. This work was supervised by Peter Hannon, R. M. Nichols, foreign agent of Wells, Fargo and Company, and Willie La Forest, superintendent of the Wells Fargo Stables.

Peter Hannon, who will care for the ponies while they are on the coast, is perhaps as well known to polo followers as any man in America. For seven years he was head jumper and round man of the Meadowbrook Club of Long Island. Two years ago his health failed him and he came here with a letter to George Cameron, who advised him to go to Honolulu. Hannon has been there ever since and has

## 'BILL' CONEY IS THE NEW GRIDIRON LEADER AT PUNAHOU

"BILL" CONEY

Oahu College has chosen "Bill" Coney, halfback on this year's championship team, football captain for next year. Coney is a player of experience and judgment, and he has enough dash and nerve to lead the eleven to another series of victories. His election this week by his fellow-players has met with general approval.

## FOOTBALL GAMES ARE BEING PLAYED

Two rousing games of football, one of soccer and the other intercollegiate, are on tap at the Moiliili grounds this afternoon, the Punahou and the Heali playing the first game of the soccer season, and the original Town team and the Schofield team competing for the honors in the first of their series of three games. The first encounter will take place at 2:15 and following this will come the game between the Townies and the Soldiers.

The soldiers arrived in town at 1 o'clock, and were the guests of the Townies at lunch. Although the dope handed out slightly favors the Townies, there are rumors that betting on

Those poor Expanders! Last night the Cherries stuck a pin—several pins, for that matter—into them, and they shriveled up like pricked balloons. There was no more expansion left in them, and slowly and sorrowfully they drifted down from the heights, and woke up to the fact that they had lost the championship of the Y. M. C. A. Bowling League in a most decisive way. However, up to last night they made a great fight, and no disgrace attached to defeat. The Cherries got off to too long a start, and with the confidence of early success kept running easily in the lead.
